2015 Medical Isotope Supply Review: ⁹⁹Mo/^{99m}Tc Market Demand and Production Capacity Projection 2015-2020

K.E. Charlton Nuclear Development Division OECD/NEA, 12 boulevard des íles, 92130 Issy-les-Moulineaux – France

ABSTRACT

The OECD/NEA has prepared a revised projection of the market demand and production capacity for ⁹⁹Mo/^{99m}Tc for the 2015-2020 period. The main findings of the report will be presented, the full report is available for download from the NEA website (www.oecdnea.org).
